"The Magician" is a fantasy novel featuring Arthur Burdon, a renowned English surgeon, who visits Paris to see his fiancée, Margaret Dauncey. On his first evening in Paris, Burdon meets Oliver Haddo, who claims to be a magician and has a fight with him. In revenge, Haddo uses both his personality and his magic to seduce Margaret, despite her initial revulsion towards him. They get married and run away from Paris and Arthur promptly returns to England to immerse himself in his work. In London, Arthur meets Margaret alone and she suggests that her life is threatened by her new husband. She implies that Haddo is only waiting for the right

time to perform a magical ritual, which will involve the sacrifice of her life. Arthur seeks advice from his mentor and Haddo's acquaintance, the retired doctor and occult scholar Dr. Porhoët, but they must act fast as it might be too late for Margaret. Many war heroes return from battle to a world that has changed dramatically. In the case of James Parsons, the protagonist of W. Somerset Maugham's *The Hero*, his family and hometown have remained exactly as they were before he left to serve his country abroad -- it is his own outlook and values that have shifted. Will he be able to settle back into his old life and regain the happiness that was once his? Read *The Hero* to find out. From one of the twentieth century's most enduringly popular fiction writers: the only hardcover edition of his short stories. Though W. Somerset Maugham was also famous for his novels and plays, it has been argued that in the short story he reached the pinnacle of his art. These expertly told tales, with their addictive plot twists and vividly drawn characters, are both galvanizing as literature and wonderfully entertaining. In the adventures of his alter ego Ashenden, a writer who (like Maugham himself) turned secret agent in World War I, as well as in stories set in such far-flung locales as South Pacific islands and colonial outposts in Southeast Asia, Maugham brings his characters vividly to life, and their humanity is more convincing for the author's merciless exposure of their flaws and failures. Whether the chasms of misunderstanding he plumbs are those between colonizers and natives, between a missionary and a prostitute, or between a poetry-writing woman and her uncomprehending husband, Maugham brilliantly displays his irony, his wit, and his genius in the art of storytelling. A collection of novels, short stories, essays and poems by modern English writers. *The Making of a Saint* By W. Somerset Maugham Originally published in 1898. A complete and unabridged cloth bound edition, with gilt edge pages and ribbon marker. Liza Kemp is an eighteen-year-old girl working in a factory in the Lambeth slum along London's Vere Street. As Liza enters into a misguided affair with an older, married man, Jim Blakeston, the novel reveals the tragedies and abuses suffered by those living in poverty. A mood of subdued acceptance of one's life conditions prevails in this novel, which sparked the literary career of one of England's most successful authors of the twentieth century. This volume contains a comprehensive examination of the crucial first ten years of the Arab League and of the continuing dilemma it faces in juggling opposing local and regional interests. INTRODUCTION BY PAUL THEROUX Somerset Maugham's success as a writer enabled him to indulge his adventurous love of travel, and he recorded the sights and sounds of his wide-ranging journeys with an urbane, wry style all his own. *The Gentleman in the Parlour* is an account of the author's trip through what was then Burma and Siam, ending in Haiphong, Vietnam. Whether by river to Mandalay, on horse through the mountains and forests of the Shan States to Bangkok, or onwards by sea, Maugham's vivid descriptions bring a lost world to life. *Cakes and Ale* is a delicious satire of London literary society between the Wars. Social climber Alroy Kear is flattered when he is selected by Edward Driffield's wife to pen the official biography of her lionized novelist husband, and determined to write a bestseller. But then Kear discovers the great novelist's voluptuous muse (and unlikely first wife), Rosie. The lively, loving heroine once gave Driffield enough material to last a lifetime, but now her memory casts an embarrassing shadow over his career and respectable image. Wise, witty, deeply satisfying, *Cakes and Ale* is Maugham at his best. *Life in the South Pacific Colonial Islands* "The tragedy of love is not death or separation. How long do you think it would have been before one or other of them ceased to care? Oh, it is dreadfully bitter to look at a woman whom you have loved with all your heart and soul, so that you felt you could not bear to let her out of your sight, and realize that you would not mind if you never saw her again. The tragedy of love is indifference." - W. Somerset Maugham, *The Trembling of a Leaf* Spy for the British Empire, W. Somerset Maugham traveled many times to South Pacific and the Far East. There, he started creating series of short stories about the life of the colonialists and how the remoteness and

strangeness of such far-away lands can ultimately destroy the very soul of the civilized man. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes. The W. Somerset Maugham Reader presents a full range of Maugham's literary capabilities, from his early works of social realism, to his dramatic tales of love and revenge, to his pieces on travel to exotic lands. When a sixteen-year-old Spanish girl sees a religious vision while praying in a convent, she becomes involved in a series of humorous adventures. Catalina is a crippled girl, supposedly cured by divine intervention after witnessing a vision of the Virgin Mary. As a result of this, she is pressured into becoming a nun in a Carmelite convent. The Bishop of Segovia, himself undergoing a crisis of faith, becomes involved in the debate about the debt owed to god by Catalina for her cure, but the girl resists all attempts to control her life, determined to marry the man she loves. She joins a troupe of strolling players and becomes the most famous actress in all of Spain. Maugham spent the winter months of 1919-20 travelling 1500 miles up the Yangtze River. Always more interested in people than places, he gave full rein to a sensitive and philosophical nature. On a Chinese Screen is the refined accumulation of the countless scraps of paper on which he had taken notes. Within the narrow confines of their colonial milieu, missionaries, consuls, army officers and company managers are all gently ridiculed as they persist obliviously with the life they know. Looking for a play that combines romance, intrigue, and profound insight into the human condition? Fans of top-notch dramatic writing will appreciate W. Somerset Maugham's *Caesar's Wife*, which explores an unusual love triangle between a distinguished, older dignitary, his personal secretary, and his much-younger wife. From one of the twentieth century's most enduringly popular fiction writers: the only hardcover edition of his short stories. Though W. Somerset Maugham was also famous for his

novels and plays, it has been argued that in the short story he reached the pinnacle of his art. These expertly told tales, with their addictive plot twists and vividly drawn characters, are both galvanizing as literature and wonderfully entertaining. In the adventures of his alter ego Ashenden, a writer who (like Maugham himself) turned secret agent in World War I, as well as in stories set in such far-flung locales as South Pacific islands and colonial outposts in Southeast Asia, Maugham brings his characters vividly to life, and their humanity is more convincing for the author's merciless exposure of their flaws and failures. Whether the chasms of misunderstanding he plumbs are those between colonizers and natives, between a missionary and a prostitute, or between a poetry-writing woman and her uncomprehending husband, Maugham brilliantly displays his irony, his wit, and his genius in the art of storytelling. Famous for his novels, Thomas Mann is more accessible through the shorter fictions which span his entire career. The most famous of these stories is one of the earliest. *Death in Venice* was made into the celebrated Visconti film, but all his mature preoccupations are present in this story: the need for a sense of meaning in existence, the relationship between life and art, the central role of sexual energy and the strange forms it can take, the place of death and disease, the importance of work, the individual's complex relations with his society and the dominant culture. These themes are developed in a series of brilliant stories, many of them very short and displaying the author's talent for macabre comedy. *Dr Faustus* and *Buddenbrooks* are already available in *Everyman*. The stories in this collection move from Malaya to America and England, and include some of Maugham's most famous tales; 'Flotsam and Jetsam', the story of an old woman trapped for years in a loveless marriage in the remote rubber plantations; 'The Man with the Scar', and notably the opening story 'The Vessel of Wrath', a tale of the unexpected love that grows between a devout missionary nurse and a drunken reprobate. In this second volume of his

collected stories, Maugham illustrates his characteristic wry perception of human foibles and his genius for evoking compelling drama from an acute sense of time and place. This compilation contains three complete novels and eight major short stories from the canon of one of the twentieth century's most enduringly popular fiction writers. From London to Hong Kong, from Paris to Pago Pago, in Samoa or Malaya or on a Tahitian tropical isle, the men and women in this collection of masterfully crafted tales inhabit exotic, mysterious worlds—and at their own peril invade the dark territory of the human heart. Somerset Maugham, a noted English novelist, playwright, and author of masterly short stories, spent several months in the Pacific in 1916 and 1917 during an interlude in his service in British intelligence during World War I. Several of his works have been made into movies and plays, including *Razor's Edge*, *Of Human Bondage*, *Cakes and Ale*, *Rain*, and *The Moon and Sixpence*. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. This final classic collection of stories reveals Somerset Maugham's unique talent for exposing and exploring the bitter realities of human relationships. Brilliant tales of love, infidelity, passion and prejudice, the stories range from 'The Lotus Eater' in which a man has a vision of a life of bliss in the Mediterranean, to the astringent tales of 'The Outstation' and 'The Back of Beyond' in Malaya and South East Asia. Largely set in favourite Maugham country, this colourful collection brilliantly evokes the numbered days of the British Empire. DigiCat Publishing

Desperate for love and eager for experience of a wider world, Philip Carey grows up in the oppressive confines of his uncle's vicarage. The sensitive orphan is burdened by a club foot that sets him apart from his schoolmates and heightens his loneliness. Seeking passion and inspiration, he pursues his dreams of becoming an artist in Heidelberg and Paris but returns to London, humbled by his own mediocrity. But Philip's degradation has only just begun, as an obsession with a vulgar, cold-hearted waitress threatens to destroy what remains of his idealism. Like his protagonist's physical deformity, W. Somerset Maugham's homosexuality was a constant source of anxiety, alienation, and shame. He termed his masterpiece "not an autobiography, but an autobiographical novel; fact and fiction are inexorably mingled; the emotions are my own." By combining residual Victorian values with the early twentieth century's mood of irony and despair, Maugham offers a timeless view of emotional isolation and the possibility of redemption through self-knowledge and maturity.
