Missing Mar 02 2021 The indigenous woman stares at her long red dress hanging from a telephone pole, struggles to free herself, and once freed, with her dress dangling, reduced to shreds and her underwear exposed, in silence, she reads the names of the missing women, who she had written on her arm. He ends by shouting the names one by one. This is the performance of an indigenous Canadian artist, who recounts, through this work, the commemoration of the lives of missing and murdered indigenous women, who disappeared from the streets of Vancouver in Canada. This happened during the Canadian winter of 2002 for those passing through the center east of the city. This may come as a surprise to distracted observers, but the reality is that in Canada, often ranked high on the list of global quality of life indices, indigenous women suffer high rates of violence. In 2014, the Canadian Police confirmed that 1017 indigenous women had been murdered and that 164 had disappeared since 1980, despite indigenous women making up 4.3% of the country's female population. The Street of Tears, as the Native Americans call it, is infamous for women who disappear in its path. According to the Amerindians, Native Americans, the disappearances and killings, which began in 1980 and never ended, would be at least four thousand, an impressive number that does not stop. It is a massacre that for decades has been consumed in silence and indifference. Only in 2019, following pressure from many associations and complaints from native groups, was a report published on how many mysterious disappearances and murders occurred on Native American women. The country in which these tragedies are predominantly occurring, according to a survey, is Canada. Between 1980 and 2012, 1181 victims were recorded. Between 1980 and 2012, there were 1181 registered victims. If this number already seems extremely shocking, think about the total number of all the Native American women who disappeared and/or were killed. The exact number of victims will never be known, also because many families do not report the disappearance of these women, for fear of repercussions and further revenge and their murderers are: strangers, acquaintances or their husbands. Another piece that is added to this monstrous mosaic are the unsolved cases and many families, to whom a mother, a sister, a daughter has been taken, ask for the reopening of these cases to ensure that justice is done. Why all this reluctance to get to the bottom of this? It is a question that arises spontaneously, but above all it arouses a lot of anger, as if there were serial murders A and B. Hasty and superficial investigations, racist prejudices, are some of the elements found in the investigation, The Commission has also discovered that the violence against these women is due to the inaction of the State, but above all to the associated ideologies that are based on an alleged superiority.

Resisting Disappearance Dec 31 2020 In Kashmir's frigid winter a woman leaves her door cracked open, waiting for the return of her only son. Every month in a public park in Srinagar, a child remembers her father as she joins her mother in collective mourning. The activist women who form the Association of the Parents of the Disappeared Persons (APDP) keep public attention focused on the 8,000 to 10,000 Kashmiri men disappeared by the Indian government forces since 1989. Surrounded by Indian troops, international photojournalists, and curious onlookers, the APDP activists cry, lament, and sing while holding photos and files documenting the lives of their disappeared loved ones. In this radical departure from traditionally private rituals of mourning, they create a spectacle of mourning that combats the government's threatening silence about the fates of their sons, husbands, and fathers. Drawn from Ather Zia's ten years of engagement with the APDP as an anthropologist and fellow Kashmiri activist, *Resisting Disappearance* follows mothers and "half-widows" as they step boldly into courts, military camps, and morgues in search of their disappeared kin. Through an amalgam of ethnography, poetry, and photography, Zia illuminates how dynamics of gender and trauma in Kashmir have been transformed in the face of South Asia's longest-running conflict, providing profound insight into how Kashmiri women and men nurture a politics of resistance while facing increasing military violence under India.

Aruba Nov 10 2021 One father's mission to find his daughter I am a father who has no idea what has happened to his child. The questions run through my mind all day long. They keep me awake at night. Is she dead? Is she alive? Is she being held captive somewhere? Are they hurting her? Is she crying out for me? These are the impassioned words of Dave Holloway, father of Natalee Holloway, whose disappearance in Aruba sparked a media frenzy and an international scandal. This book is the heart-wrenching story of his search, the most complete account of Natalee Holloway's disappearance in Aruba. Continuing his investigation to this very day, Holloway discloses: behind-the-scenes details of the investigation new revelations about the corruption of the Aruban law enforcement and the countless trails leading to possible rape, murder, and even sexual slavery This book is the first insider's account of one of the decade's most disturbing and mysterious stories. Using never-before-seen photographs from their family album and stories of Natalee's childhood, Holloway relates the horror of personally searching through crack houses and trash dumps for Natalee-working alone, with authorities, even with psychics-while enduring the stonewalling of Aruban officials. Learn what really went on behind the headlines of the tragic disappearance of Natalee Holloway.

But the more Sera digs into this unfamiliar world, the more off things start to feel. Because Rachel is not the first woman to vanish from the ranch, and she won't be the last... Rachel did try to warn her.

Remembering Vancouver's Disappeared Women Mar 14 2022 Between the late 1970s and the early 2000s, at least sixty-five women, many of them members of Indigenous communities, were found murdered or reported missing from Vancouver's Downtown Eastside. In a work driven by the urgency of this ongoing crisis, which extends across the country, Amber Dean offers a timely, critical analysis of the public representations, memorials, and activist strategies that brought the story of Vancouver's disappeared women to the attention of a wider public. *Remembering Vancouver's Disappeared Women* traces "what lives on" from the violent loss of so many women from the same neighbourhood. Dean interrogates representations that aim to humanize the murdered or missing women, asking how these might inadvertently feed into the presumed dehumanization of sex work, Indigeneity, and living in the Downtown Eastside of Vancouver. Taking inspiration from Indigenous women's research, activism, and art, she challenges readers to reckon with our collective implication in the ongoing violence of settler colonialism and to accept responsibility for addressing its countless injustices.

Lady in the Lake Jun 05 2021 'Haunting... extraordinary.' STEPHEN KING A stunning, multi-voiced, period piece - tackling race, gender politics, and the

volatility of mid '60s America - from the author of SUNBURN Cleo Sherwood disappeared eight months ago. Aside from her parents and the two sons she left behind, no one seems to have noticed. It isn't hard to understand why: it's 1964 and neither the police, the public nor the papers care much when Negro women go missing. Maddie Schwartz - recently separated from her husband, working her first job as an assistant at the Baltimore Sun- wants one thing: a byline. When she hears about an unidentified body that's been pulled out of the fountain in Druid Hill Park, Maddie thinks she is about to uncover a story that will finally get her name in print. What she can't imagine is how much trouble she will cause by chasing a story that no-one wants her to tell.

Disappearing Earth Feb 19 2020 Beautifully written, thought-provoking, intense and cleverly wrought, this is the most extraordinary first novel from a mesmerising new talent. One August afternoon, on the shoreline of the north-eastern edge of Russia, two sisters are abducted. In the ensuing weeks, then months, the police investigation turns up nothing. Echoes of the disappearance reverberate across a tightly woven community, with the fear and loss felt most deeply among its women. Set on the remote Siberian peninsula of Kamchatka, Disappearing Earth draws us into the world of an astonishing cast of characters, all connected by an unfathomable crime. We are transported to vistas of rugged beauty – densely wooded forests, open expanses of tundra, soaring volcanoes and the glassy seas that border Japan and Alaska – and into a region as complex as it is alluring, where social and ethnic tensions have long simmered, and where outsiders are often the first to be accused. In a story as propulsive as it is emotionally engaging, and through a young writer's virtuosic feat of empathy and imagination, this powerful novel provides a new understanding of the intricate bonds of family and community, in a Russia unlike any we have seen before. Praise for Disappearing Earth "A genuine masterpiece, but one that is easily consumed in a feverish stay-up-all-night bout of reading pleasure." Gary Shteyngart "Suspenseful, original and compelling, Disappearing Earth is a strange and haunting voyage into a strange and haunting world." Simon Sebag-Montefiore, author of The Romanovs "Julia Phillips is at once a careful cartographer and gorgeous storyteller... . A mystery of two missing girls burns at the center of this astonishing debut, and the complexity of ethnicity, gender, hearth and kin illuminates this question and many more." Tayari Jones, author of An American Marriage 'A knock-out... .The stitches of Phillips's language make you go, Damn, that's good.' The Los Angeles Review of Books 'A superb debut.' New York Times

Missing Women Feb 13 2022 TEN BEAUTIFUL WOMEN. ALL VANISHED WITHOUT A TRACE. In this disturbing collection of unsolved mysteries, forensic psychologist Ana Benson focuses on some long forgotten cases of missing women which include: TARA CALICO - The events of her disappearance are one of the least understood of any crime over the past 50 years. A single Polaroid showing what is widely believed to be Tara, ultimately gives her disappearance its most notable name: The Polaroid Mystery. TARA GRINSTEAD - The mystery of her disappearance is as baffling now as it was over ten years ago. Tara was a beautiful woman in a small town and drew the attention of many men. But as investigators peeled back the onion on her life, they discovered that she had a complex personal life, one with many lovers and layers of relationship any one of whom may have sought to do her harm out of jealousy. MISTY COPSEY - Three different police chiefs and numerous detectives all took a swing at her case and came up with nothing. No one in law enforcement has been able to answer the question on everyone's lips. What happened to Misty Copsey? BETHANY DECKER - Nothing about Bethany seemed out of the ordinary...Until she disappeared. JOYCE CHIANG - Joyce was an American attorney who worked for the Immigration and Naturalization Service. She had been missing for three months, and now, her badly decomposed body was being dragged from the Potomac River. JODI HUISENTRUIT - Jodi Sue Huisentruit was a news anchor for KIMT, a station based in Mason City, Iowa. On June 27th, 1995, she called the station and told her co-worker that she was on her way to work after she overslept. It would be the last time anyone heard from her. PATRICIA MEEHAN - The story of Patricia Meehan is a very strange and puzzling one. She seemingly disappeared into the night with little reason. The case has remained unsolved since 1989. With few witnesses, the full events are sketchy at best. KELSIE SCHELLING - The disappearance of Kelsie Schelling is one of the biggest mysteries in Colorado. This young pregnant woman was last seen in February of 2013 and the case is still open to this day. NATALIE HOLLOWAY - The vacationing teen disappeared in Aruba and has not been seen since. JENNIFER KESSE - A beautiful Florida woman who disappeared in the parking lot of her apartment building.

Missing Oct 29 2020 From 1950 to the present day, there have been almost 900 long-term missing people in Ireland. The equivalent of a vibrant village, all gone, vanished without a trace. Where did they go? Are they dead or still alive somewhere? How many have been murdered? How many killers have got away with their crimes? RTÉ journalist Barry Cummins has reported on the unsolved cases of Ireland's missing for decades. In this new edition of his bestselling book, he examines the latest leads and developments of Ireland's most high-profile missing cases, including the women who disappeared under eerily similar circumstances in the 1990s and whose bodies have never been found. Written with the assistance of the gardaí and the families concerned, Missing is a comprehensive and shocking account of the cases that have in turn fascinated, puzzled and horrified the Irish public. It also examines the possibility that there may be a serial killer out there who has gone to extraordinary lengths to evade justice, leaving open the possibility that they could strike again.

Red Roulette Nov 17 2019 In the headline-making and bestselling tradition of Bill Browder's Red Notice comes a riveting memoir from a man who rose within the ranks of China's ultra-rich only to see his business partner-wife mysteriously disappeared. After the Communist Revolution, Desmond Shum's grandfather, a lawyer, had one chance to leave China, and instead chose to stay. The government shut down his law firm and seized his house. Officials marked his family as belonging to a 'black category' that included former landlords and rich peasants, meaning the Shums would be stigmatised and impoverished. As Desmond was growing up, he vowed his life would be different. Through hard work and sheer tenacity Shum went to college in America and returned to China to make his name in business. There, he met his future wife, the highly intelligent and equally ambitious Whitney Duan. Whitney and Desmond formed an effective team and, powered by a set of relationships they formed with top members of the Red Aristocracy, vaulted into China's billionaire class. Soon they were developing the massive air cargo facility at Beijing International Airport, and they followed that by developing one of Beijing's premier hotels. They were dazzlingly successful, travelling in private jets, funding multi-million-dollar buildings and endowments, and purchasing expensive homes, vehicles and artwork. But in 2017, their fates diverged irrevocably when Desmond, while residing overseas with his son, learned that his now ex-wife Whitney had been disappeared - consigned to some unknown fate - along with three co-workers. In Red Roulette Desmond Shum pulls back the curtain on China's ruling elite and tells the story of a remarkable woman who rose to prominence in a strongly patriarchal society. Written from a desire to reveal the real truth of what is happening inside China's wealth-making machine, this eye-opening tale features a memorable cast of real-life characters.

The Boy Who Disappeared Sep 08 2021 I opened my mouth and it came. It wasn't a cry, or even a sob. It came from deep in my soul... It was the sound of a mother helpless to save her child from danger. I asked the same unanswered questions over and over again. Where was he? Where was my Damien? On 2 November 1996, sixteen-year-old Damien Nettles went out for the evening in his home town of Cowes on the Isle of Wight. CCTV recorded him in a chip shop at 23:40 and on the High Street just after midnight. He has never been seen since. His mother, Valerie, has spent over two decades desperately trying to find out what happened to her son. Arrests have been made, and suspects released without charge. Despite years of research by journalists and a private investigator, Damien's vanishing remains a mystery. In this hugely moving and compelling account, Valerie Nettles tells the full, perplexing story of her son's disappearance. Someone must know what happened to Damien. Will the truth ever emerge from the shadows?

Missing Girls Jul 26 2020 AN ANTHOLOGY OF TRUE CRIME THE DISAPPEARANCE OF MAURA MURRAY The case of Maura Murray's disappearance is one that has left police and conspiracy theorists baffled for more than a decade. Her sudden disappearance is one that makes very little sense and the available information regarding who she is as a person and her motive behind her attempt to leave town prior to vanishing isn't easy to wrap our brains around. Maura has been missing since February 9, 2004. From the time of her disappearance, there have been no credible sightings of Maura. The last person to see her alive, a passing motorist, noticed her oddly calm demeanor following a car crash, but she was gone by the time the police arrived on the scene. Her family is devastated that they haven't gotten closure, but is also skeptical that she could still be alive. Laurie and Fred, Maura's mother and father, have had nothing to add regarding their daughter's disappearance, and have no idea what thought pushed her into taking some personal belongings, withdrawing over \$200 in cash, and attempting to leave town under the guise of "grieving over a death in the family." To get an understanding of the case, it's important to understand who Maura is, what she did and said in the days prior to her disappearance, and her strange behavior moments before vanishing into thin air. BETHANY DECKER - Nothing about Bethany seemed out of the ordinary... Until she disappeared JOYCE CHIANG - Joyce was an American attorney who worked for the Immigration and Naturalization Service. The Vanishing Triangle Aug 07 2021 From the bestselling author of *What You Did* comes a true-crime investigation that cast a dark shadow over the Ireland of her childhood. Ireland in the 1990s seemed a safe place for women. With the news dominated by the Troubles, it was easy to ignore non-political murders and sexual violence, to trust that you weren't going to be dragged into the shadows and killed. But beneath the surface, a far darker reality had taken hold. Through questioning the society and circumstances that allowed eight young women to vanish without a trace?no conclusion or conviction, no resolution for their loved ones?bestselling crime novelist Claire McGowan delivers a candid investigation into the culture of secrecy, victim-blaming and shame that left these women's bodies unbound, their fates unknown, their assailants unpunished. McGowan reveals an Ireland not of leprechauns and craic but of outdated social and sexual mores, where women and their bodies were of secondary importance to perceived propriety and misguided politics--a place of well-buttoned lips and stony silence, inadequate police and paramilitary threat. Was an unknown serial killer at large or was there something even more insidious at work? In this insightful, sensitively drawn account, McGowan exposes a system that failed these eight women--and continues to fail women to this day.

People Who Eat Darkness Jun 24 2020 *** Richard Lloyd Parry is the Winner of the 2018 Rathbones Folio Prize *** In the summer of 2000, Jane Steare received the phone call every mother dreads. Her daughter Lucie Blackman - tall, blonde, and twenty-one years old - had stepped into the vastness of a Tokyo summer and disappeared forever. That winter, her dismembered remains were found buried in a desolate seaside cave. Her disappearance was mystifying. Had Lucie been abducted by a religious cult? Who was the mysterious man she had gone to meet? What did her work, as a 'hostess' in the notorious Roppongi district of Tokyo, really involve? And could Lucie's fate be linked to the disappearance of another girl some ten years earlier? Over the course of a decade, Richard Lloyd Parry has travelled to four continents to interview those caught up in the story and been given unprecedented access to Lucie's bitterly divided family to reveal the astonishing truth about Lucie and her fate.

The Disappeared Jan 12 2022 From "one of Sweden's best younger writers" (Los Angeles Times Magazine) and a "talented new author" (Booklist) comes this riveting third book in the critically acclaimed Fredrika Bergman crime series. A young woman on her way to a party vanishes without a trace, and it's not until two years later that her body turns up. Mercilessly dismembered, it has deteriorated considerably in its lonely burial spot on the edge of a forest. The forensic team is able to identify the body as that of Rebecca Tolle, a student at the nearby university. Investigative analyst Fredrika Bergman and her team are assigned to solve the case and question those who may be responsible for Rebecca's brutal death. Soon, more bodies are found in the same area. But the killer is still at large. As Fredrika digs into the case, she discovers that when Rebecca died, she was researching a person with a dark past—one that Rebecca seems to have uncovered. Fredrika is deeply invested in the already heart-wrenching case, but when her lover's name comes up as a possible suspect, it might be too much for her to bear... "A gripping tale not for the squeamish, the shy, or the nervous" (Kirkus Reviews), *The Disappeared* is internationally bestselling author Kristina Ohlsson's most mesmerizing thriller yet.
