97 Ways to Make a Cat Like You May 04 2021 From the publisher of B. Kliban's *Cat, All I Need to Know I Learned from My Cat*, and *Bad Cat*, comes a new book that answers the question all cat lovers ask: How do I make my cat like me? *97 Ways to Make a Cat Like You* is the perfect interactive guide to these mysterious, fickle, seemingly aloof—yet really, just particular—pets. Paired with a full-color photograph of friendly, extroverted, happy cats (in case you've forgotten what a cat looks like when he "likes" you), the 97 inspired, occasionally silly but always behaviorally-based tips and tricks prove that when a cat is treated right, he or she will respond in kind. Within reason. There's the "Eye on the Ball"—record a tennis match or a Ping-Pong game on TV to play back for your cat when he needs a bit of exercise. "Cat Burrito"—wrap your cat in a towel, burrito-style, which is particularly good for anxious pets or trips to the vet. The "Boing, Boing!"—wind pipe cleaners around a pencil in a spiral shape to create

springs. Carefully slide off the pencil so the spirals go "boing" when pressed. The classic "Tickle, Tickle"—tickle Kitty under her chin and softly say "gitchy, gitchy, gitchy" in your highest-pitched voice. And for the cat owner willing to go the distance, the "There's No Business Like Show Business"—practice your best Ethel Merman by belting out favorite show tunes for your cat. Kitty won't care if you're off-key and she'll enjoy the stimulation.

The Year of the Cat Nov 22 2022 I looked around at my flat, at the woodchip wallpaper and scuffed furniture, and realised that I did have a life after all. What it didn't have in it was a cat. When Rhiannon fell in love with, and eventually married her flatmate, she imagined they might one day move on. But this is London in the age of generation rent, and so they share their home with a succession of friends and strangers while saving for a life less makeshift. The desire for a baby is never far from the surface, but can she be sure that she will ever be free of the anxiety she has experienced since an attack in the street one night? And after a childhood spent caring for her autistic brother, does she really want to devote herself to motherhood? Moving through the seasons over the course of lockdown, *The Year of the Cat* nimbly charts the way a kitten called Mackerel walked into Rhiannon's home and heart, and taught her to face down her fears and appreciate quite how much love she had to offer.

**The Old Man and the Cat** Jan 24 2023 *The Old Man and The Cat* is a story of how Nils Uddenberg, retired Professor of Psychology became a beloved cat-owner even though he had never wanted a pet of any kind. One winter morning the author discovered a cat—whom he would later find was homeless—sitting outside his bedroom window, staring at him with big yellow eyes. Slowly but surely the cat worked itself into his life. This award-winning writer who has a background in psychology could not stop himself from going deeper into the cat's inner life. Does she have a sense of humor? Is it possible to attach human feelings to her? And the trickiest question of all: Is our little cat actually interested in our attachment to her? With humor and self-awareness, Nils describes how his existence changed after the cat moved into his house. The feelings she stirs up are a

surprise to him and he quickly finds himself falling in love with this speckled grey-brown little lady.

### **Cat Life: Celebrating the History, Culture & Love of the Cat**

Jan 20 2020 "Though a cat may choose to share her affection with a human or two, she will always remain that quixotic mix of unpredictability and individuality that challenges the understanding of the most patient among us. It is as if they know that when they first stepped into the human ring of firelight, they forever altered our history, influencing our religions, our literature, our art--our very lives." -From the Introduction  
Cat Life is a wonderful book about the evolution, history, culture, and lore of the cat. Filled with more than 150 beautiful color photographs of these furry friends, this book reveals virtually everything needed to appreciate this mysterious, lovable companion. Chapter One, "Evolutionary Cat," traces the domestic feline back to the Paleocene Era, then introduces its big cat relatives. Sidebars highlight the fascinating evolutionary differences between big cats and small cats, which clearly explain why the smaller kitties became household favorites. Cats have been both revered and scorned throughout history. Egyptian law protected sacred cats, and the beauty of Egyptian women was measured by their resemblance to the cat. But the cat's spiritual heyday came to a halt in the Middle Ages, when the Christian church crushed the worship of cat-gods. Yet, in the seventeenth century, cat popularity rose again as the French aristocracy welcomed the cat back into polite society. Chapter Two, "Cultured Cat," is a survey of artistic homage paid to the cat. From Aesop's fables to Lewis Carroll's Alice in Wonderland, cats have been featured as analogy, metaphor, and hero. From the Egyptians to Leonardo da Vinci and beyond, the cat has been featured in paintings and other media. Notable cat lovers include Winston Churchill, President Lincoln, and President Roosevelt, whose cat, Slippers, often attended White House dinners. Enemies of the cat include Hitler, Alexander the Great, and Napoleon. Chapter Three, "Physical Cat," is a guide to understanding and caring for your cat. First, each of the cat's senses and physical attributes is described, to reveal how they see the world. Important cat care issues are

discussed, such as whether you should get your cat "fixed" (definitely) and what ailments your cat is likely to suffer from. Also provided are tips for proper training, advice on when to vaccinate, and information about choosing and caring for kittens. Cat Life closes with a "Gallery of Breeds," a parade of fascinating cat types with descriptions of their unique personalities and special characteristics. Overflowing with endearing photographs and enlightening, entertaining text, Cat Life is sure to capture the fancy of ailurophiles everywhere. Award-winning author Amy Shojai (Shojai.com) is one of America's foremost pet journalists, and the author of more than 30 dog and cat care nonfiction titles, and the pet-centric September & Shadow Thrillers.

**Love Saves the Day** Apr 15 2022 From the author of the New York Times bestselling memoir *Homer's Odyssey* comes a tender, joyful, utterly unforgettable novel, primarily told through the eyes of the most observant member of any human family: the cat. Humans best understand the truth of things if they come at it indirectly. Like how sometimes the best way to catch a mouse that's right in front of you is to back up before you pounce. So notes Prudence, the irresistible brown tabby at the center of Gwen Cooper's tender, joyful, utterly unforgettable novel, which is mostly told through the eyes of this curious (and occasionally cranky) feline. When five-week-old Prudence meets a woman named Sarah in a deserted construction site on Manhattan's Lower East Side, she knows she's found the human she was meant to adopt. For three years their lives are filled with laughter, tuna, catnaps, music, and the unchanging routines Prudence craves. Then one day Sarah doesn't come home. From Prudence's perch on the windowsill she sees Laura, the daughter who hardly ever comes to visit Sarah, arrive with her new husband. They're carrying boxes. Before they even get to the front door, Prudence realizes that her life has changed forever. Suddenly Prudence finds herself living in a strange apartment with humans she barely knows. It could take years to train them in the feline courtesies and customs (for example, a cat should always be fed before the humans, and at the same exact time every day) that Sarah understood so well. Prudence clings to the hope that Sarah will come back for her while Laura, a rising young corporate

attorney, tries to push away memories of her mother and the tumultuous childhood spent in her mother's dusty downtown record store. But the secret joys, past hurts, and life-changing moments that make every mother-daughter relationship special will come to the surface. With Prudence's help Laura will learn that the past, like a mother's love, never dies. Poignant, insightful, and laugh-out-loud funny, *Love Saves the Day* is a story of hope, healing, and how the love of an animal can make all of us better humans. It's the story of a mother and daughter divided by the turmoil of bohemian New York, and the opinionated, irrepressible feline who will become the bridge between them. It's a novel for anyone who's ever lost a loved one, wondered what their cat was really thinking, or fallen asleep with a purring feline nestled in their arms. Prudence, a cat like no other, is sure to steal your heart. Praise for *Love Saves the Day* "Prudence [is a] sassy but sensitive feline heroine."—*Time* "Unforgettably moving . . . a hard one to put down."—*Modern Cat* "If you are the Most Important Person to a cat, you will hold them much tighter by the book's end. If you don't have a cat, Prudence will have surreptitiously lured you into the danger zone: Falling in love with a cat because they need family, too."—*The Vancouver Sun* "Cooper brings readers a fictional tale that cat lovers will treasure. . . . This book will make most readers laugh and cry, and probably lead them to wonder more often what, exactly, their pet is thinking."—*Fredericksburg Free Lance-Star* "The interspersed viewpoints . . . enrich Cooper's sensitively told novel that unravels a story (based on actual events) about a century-old tenement building—and the inhabitants therein. That story ultimately serves as the basis to understanding the emotional subtexts of these authentic, well-drawn characters."—*Shelf Awareness*

**Cat Daddy** Jan 12 2022 Cat behaviorist and star of Animal Planet's hit television show My Cat from Hell, Jackson Galaxy, a.k.a. "Cat Daddy," isn't what you might expect for a cat expert (as The New York Times noted, with his goatee and tattoos, he "looks like a Hells Angel"). Yet Galaxy's ability to connect with even the most troubled felines -- not to mention the stressed-out humans living in their wake -- is awe-inspiring. In this book, Galaxy tells the poignant

story of his thirteen-year relationship with a petite gray-and-white short-haired cat named Benny, and gives singular advice for living with, caring for, and loving the feline in your home. When Benny arrived in his life, Galaxy was a down-and-out rock musician with not too much more going on than a part-time job at an animal shelter and a drug problem. Benny's previous owner brought the cat to the shelter in a cardboard box to give him up. Benny had seen better days --- his pelvis had just been shattered by the wheels of a car -- and his owner insisted he'd been "unbondable" from day one. Nothing could have been further from the truth. An inspiring account of two broken beings who fixed each other, Cat Daddy is laced throughout with Galaxy's amazing "Cat Mojo" advice for understanding what cats need most from us humans in order to live happier, healthier lives. *Think Like a Cat* Jul 06 2021 America's favorite cat behavior expert, author of *Catwise* and *Cat vs. Cat*, offers the most complete resource for cat owners of all stripes, now fully updated.
