Piper Sullivan follows Nick Noble to the Noble family ranch, believing that Nick Noble framed her brother for murder. High school senior Ella Cleary, whose synesthesia causes her to see colors with each interaction, must question everything she knows about her life when journalism student Alec investigates her parents' death. The Gods smiled upon their offsprings from the skies, loving, generous. But that was before. For the sky is now tainted, and the people deprived of their creators overnight have been orphans for nearly two centuries. Since that fateful day, the Corruption has reigned over the world. It defiled the clouds, covered the lands with a veil of darkness. The first conflicts arose in the east of the Coroman continent, some under the impulse of beliefs calling for blood and flames. As hatred continues to spread, the vanished Gods no longer answering any prayers, some fight for a peaceful life. In the midst of this madness, two children meet each other. One of them is human. The other is nichan. The boys are two opposite minds and fates, yet connected irrevocably. The days, then the passing years bring them together. But life reminds them of their differences and works to crush the remnants of their innocence. Between joys and sorrows, friendship and savagery, a smile is sometimes enough to change everything... Two brothers bound by more than blood fight to change a brutal destiny in the heart-wrenching new novel of the Black Dagger Brotherhood by Sunday Times bestselling author J.R. Ward. Trez Latimer doesn't really exist. And not just because the identity was created so that a Shadow could function in

the underbelly of the human world. Sold by his parents to the Queen of the S'HSibe as a child, Trez escaped the Territory and has been a pimp and an enforcer in Caldwell, NY for years- all the while on the run from a destiny of sexual servitude. He's never had anyone he could totally rely on ... except for his brother, iAm. iAm's sole goal has always been to keep his brother from self-destructing- and he knows he's failed. It's not until the Chosen Serena enters Trez's life that the male begins to turn things around ... but by then it's too late. The pledge to mate the Queen's daughter comes due and there is nowhere to run, nowhere to hide, and no negotiating. Trapped between his heart and a fate he never volunteered for, Trez must decide whether to endanger himself and others- or forever leave behind the female he's in love with. But then an unimaginable tragedy strikes and changes everything. Staring out over an emotional abyss, Trez must find a reason to go on or risk losing himself and his soul forever. And iAm, in the name of brotherly love, is faced with making the ultimate sacrifice ... ???HE INTENDS TO KILL HER FOR HER GRANDFATHER'S SINS.??? Sacrifice--he knows it well. Rydere Dardaptos has sacrificed many things in his six hundred years as king of the Dardaptoan vampires. He's ruled his people for centuries, while always searching for the female vampire chosen by the goddess to be his mate. He has almost given up hope. While on a midnight quest for vengeance for the deaths of two thousand of his people, he finds the mate he has been searching for. But there are three problems. She's human. She is the granddaughter of his people's greatest enemy. And he's there to kill her. Now he has to choose between the people he has led for centuries--or the female destined to be his. Company CEO Emily Taniss is used to leading a company of thousands, but being the vampire queen is not something she would ever have signed up for. She definitely isn't some deranged vampire king's chosen bride--no matter how her body is starting to call out for his. Emily just has to play along with his plans until her father and uncles come to save her. Easier said than done--especially as a life with a vampire king starts to sound as enticing as the blood pounding in his veins. Emily hungers for the king now... But the Dardaptoan vampires have more than one enemy, and a vampire's mate is the perfect target for revenge. If Rydere can't convince her to trust him fast, he and Emily will pay the ultimate price... ?????? Previously published in 2012 as the novella *The Blood King*, book 1 in the Dardanos PNR series. The book has been updated and expanded in 2020.? Watch for more Dardanos titles relaunching in 2020/2021.?????? Newly released from prison, Brynn Taylor is determined to find her father, a man she's never met. Her only clue to his whereabouts is an address she finds in a rare volume of Jane Austen's "Sense & Sensibility" which he inscribed to her years ago. Armed with a bus ticket, a backpack, and her grandfather's gun, her search leads her to Elk Valley, Colorado where her plans and her life begin to unravel. A ruined city rebuilds in the ninth entry of this shared-world fantasy series. Hakiem, storyteller

and adviser, surveys the city of Sanctuary from a palace window and is heartbroken by what he sees. The city of outlaws and adventurers now lies in shambles, ravaged by war, plague, riots, and magical destruction, and many citizens are dead or wounded. Hakiem is not the only one thinking of leaving . . . Now, without gods or magic, the people of Sanctuary face the task of rebuilding their homes and their lives. It will be their toughest struggle for survival yet. Featuring stories from some of fantasy's best authors, including Robert Lynn Asprin, Diana L. Paxson, Janet and Chris Morris, Robin W. Bailey, C. J. Cherryh, Diane Duane, Lynn Abbey, and Andrew and Jodie Offutt. Her eyes fluttered open as the first splash of frigid water crashed through the open window beside her. She shook her head, startled to be awake—to be alive. She was in her car, in the river. She blinked, tried to focus. And then it came back to her. He'd tried to kill her... One month since she lost her husband, Dr Leah Wright knows it's time to return to her family home. Though the crime scene tape and blood stains are gone, she will never feel safe with her daughter there again. Receiving a call from Detective Luka Jericho to assist with a police investigation is a welcome distraction, until she sees the scene: a wife dead, another family ripped apart. As Leah is the new head of the Crisis Intervention Center, Luka knows she can help him speak to the victim's traumatized husband, who he suspects might have had something to do with his wife's death. But when Leah interviews the woman who lives across the hall, they uncover evidence of a serial killer in their rural Pennsylvania town. The same person who claims responsibility for drowning Luka's fiancée seventeen years ago... With danger closer to home than ever before, Leah realises that to find the killer they may need to dig into Luka's past. But the killer is already taunting Luka, promising to kill again. Is it already too late to save another innocent life? Brilliantly suspenseful until the very last page, *The Drowned Woman* is perfect for fans of Karin Slaughter, Kendra Elliot and Tess Gerritsen. An addictive new thriller in the Jericho and Wright crime series from New York Times bestselling author CJ Lyons. What readers say about *The Drowned Woman*: "This is what a thriller should be! The tension is high and I found myself holding my breath a couple of times... action-packed and full of suspense... I didn't figure it out until right before the reveal." Goodreads reviewer, 5 stars "Completely and utterly enthralling and impossible to put down. I have devoured this book in just one sitting... I have felt as though I have watched this one play out in front of me." Little Miss Book Lover 86, 5 stars "Oh My Gosh. I'm already excited to read the next book in the series! This was such an intricate, intriguing and suspenseful story! The twists and turns kept me guessing and on the edge of my seat. Definitely a 'could not put down' book!" Goodreads reviewer, 5 stars "What a book!! Grab this book for an intriguing read!!!" Goodreads reviewer, 5 stars "Reeled me in from the first chapter and didn't let go till the end... the suspense kept me guessing until the end. I couldn't put this book down till I finished it... I can't wait to read the next book in this series." Goodreads

reviewer, 5 stars "Twisted and unexpected, the story draws the reader in for a page-turning story that demands to be read from start to finish in one sitting." Goodreads reviewer, 5 stars "Wow CJ Lyons has done it again! The second instalment of the Wright/Jericho series is even better than the first. It had me gripped from the first page and I devoured it. I cannot wait for the next book." Goodreads reviewer, 5 stars "Brilliant, captivating book... CJ Lyons knows how to start a book and right for the first page we have a murder... Can't wait to see where this goes." Goodreads reviewer, 5 stars Sometimes the blood that bonds us together is what causes the greatest of rifts. The pack is balancing on an edge, trying to hold together after the last fight tried to tear them apart. Calli throws herself into trying to learn as much magic as she can, and her mates watch on helplessly as her obsession starts to take over. But old enemies are rising, and a surprising party reaches out, requesting aid. Now, facing everything she's lost, Calli needs to make a decision. Can she rise above the hate, the loss, the heartbreaking reality of what's happened and help those who need it? Not only will it shine a light on who she truly is as a person, but it will shake the very foundation of what it means to be a shifter. Reader warning: this book contains explicit scenes and briefly deals with themes that some readers may find triggering. This is a reverse harem book with adult content and is intended for 18+ readers only. Other books in the series: Book 1 - Wolf Hunts Book 2 - Shadow Wars Book 3 - Blood Feud Book 4 - Hidden Moon The story I'm about to tell you for the most part is true. I say for the most part because no one's memory is truly perfect. Plus I've taken the liberty of changing a few things here and there to protect the lives of the humans I've recently befriended. They have come to mean a great deal to me and I would hate to see anything happen to them. It's not their fault I have this great urge to tell my life story. So why tell it, you ask? First of all, it's not my entire life story. Most of it is boring and dull, like average people's everywhere. I've lived it and wouldn't want to read it. Second, it's still going on and would take volumes to record the centuries I have yet ahead of me. Yes, you read right, I said centuries. My life isn't average anymore. I am a creature of the night...a vampire. This is the tale of what happened when I decided to beg for a chance at immortality. You know the type of split-second decision that tends to change things forever. This was one of those. Don't laugh this off. Humans truly do not know whether my kind exists or not. We like it that way. The Hollywood myths and rumors make our lives much easier to live. Besides, most humans refuse to accept what is right in front of their faces, until it's too late. Well, you have a copy of my story in your hands right now and I can tell you're dying to read it. Be warned it's a graphic little tale. I have left none of the important details out and have done a few things you might find repulsive. But you're only human, after all. Go ahead and read on. You will find it a very educational experience, to say the least. Keep reading; I know you can't resist. Don't miss this Lammy Award Winner!!! CJ Roshe knows she can never relax her

vigilance, especially when her grip on her secrets begins to slip. Contact with the good-hearted Karita Hanssen leaves CJ wishing for impossible things—friends, roots, a lover who knows her real name. With a life cheerfully balanced between all the things that she loves, Karita gives freely of her time and affection. She isn't looking for more until something in CJ's eyes suggests that there could be feelings deeper, stronger—and more dangerous—than any she has ever felt. CJ is committed to only tonight with her body and certainly no tomorrows when it comes to her heart. Karita has always lived for today while she waits for tomorrow to happen. One kiss couldn't change all that—unless it's the kiss that counted. Golden Crown and Lambda Literary award-winning author Karin Kallmaker's tale of two women, two outlooks and two futures trying to become one adds to her long list of best-selling and critically acclaimed lesbian romance novels. **BOOK JACKET.** Joe Pickett, recently fired from his job as a Wyoming game warden, is working on his father-in-law's ranch when he receives a visit from the governor. Governor Rulon - a devious but down-home politico - has a special request, one Joe knows he can't refuse. For weeks, the headlines have been abuzz with the story of Clay McCann, a lawyer who slaughtered four campers in a far-off corner of Yellowstone. After the murders, McCann immediately turned himself in at the nearest ranger station. Seemed like a slam-dunk case for law enforcement - except that the crimes were committed in a thin sliver of land with zero residents and overlapping jurisdiction, the so-called free-fire zone. McCann has taken advantage of an obscure loophole in the law: neither the state nor the federal government can try him for his crime. The worst mass murderer in Wyoming history walks out of jail a free man. Governor Rulon, sensitive to the rising tide of public outrage, wants his own investigation into the murders and will reinstate Joe as a game warden if he'll go to Yellowstone "without portfolio" to investigate. Joe, happy to get his badge back, even under these circumstances, agrees. It quickly becomes clear to Joe that McCann is deeply involved with some illegal activity taking place in the park - something tremendously lucrative and unusually dangerous. As Joe and his partner Nate Romanowski search for the key to the murders, they discover that it may be hidden in the rugged terrain of the park itself. Local authorities are quick to label a rash of animal mutilations as the work of a grizzly bear, but Joe Pickett suspects that something far more sinister is afoot. And when the bodies of two men are found disfigured in the

same way, his worst fears are confirmed: A modern-day Jack the Ripper is on the loose - and the killings have just begun. Among the many applications of stem cell research are nervous system diseases, diabetes, heart disease, auto-immune diseases as well as Parkinson's disease, end-stage kidney disease, liver failure, cancer, spinal cord injury, multiple sclerosis and Alzheimer's disease. Stem cells are self-renewing, unspecialised cells that can give rise to multiple types all of specialised cells of the body. Stem cell research also involves complex ethical and legal considerations since they involve adult, foetal tissue and embryonic sources. This new book brings together leading research from throughout the world in this frontier field. Searching for Normal is the second book in a series that travels alongside four friends as they deal with teen life in Riverbend, Indiana. The novel inspires girls and young women to deepen their relationships with God and solve their problems in God-honoring ways. Six months ago Shay Mitchell's life changed forever. Now she's just trying to survive school bullies, drama class, and living with her Aunt Laura above the bookstore. No one, not even her new friends, knows her real story or the reason she's living with her aunt in the first place. When Shay learns the truth about her biological father, she jumps at the chance to meet him. This could be her chance! Maybe she'll finally find the normal life she's longed for? a life where she feels loved and wanted? you know, part of a real family. In the distance Leah heard sirens. She ignored them. Right now, her daughter needed her and Emily was just out of reach, curled up under the bed, her eyes closed, desperately shaking. Leah did the only thing any mother would do. She crawled through the blood to get to her daughter. When Detective Luka Jericho is called to a family home in rural Pennsylvania, he's shocked to find six-year old Emily Wright is the only witness to her father's murder. Her mother, Dr Leah Wright, returned home from work to find Emily huddled under the bed behind the body, and Luka is desperate to find out what Emily witnessed. He knows that the killer could still be out there, waiting to strike again. But Leah is hesitant to ask Emily to relive what she saw. She knows that Emily could be haunted by those memories forever. Until the same red roses Leah was sent on the night of her husband's murder are found in Emily's hospital room and the family is attacked again... Luka must race against time to unravel Leah's family secrets, as he battles painful reminders of his own fiancée's death. But he has no idea just how close the killer is. Will he be able to keep Leah and her daughter safe? Fans of Karin Slaughter, Kendra Elliot and Tess Gerritsen will devour this fast-paced and chilling new crime series from New York Times bestselling author CJ Lyons. You won't be able to put this book down. What readers say about *The Next Widow*: "Wow!... I have been completely unable to put this one down... There is absolutely no predicting where the author is taking the story which has made this a gripping and exciting read. I absolutely loved this." Little Miss Book Lover 87, 5 stars 'Incredible! If you pick up one book this year then make it this one! Dark, twisted and bloody brilliant! If you

haven't read a book by CJ Lyons before then you're in for a treat.' Goodreads reviewer, 5 stars 'Oh my goodness, what a brilliant start to a new series! Everything about this book just epitomises why I love the crime thriller genre so much! It is a fast paced, intense read, that is filled with so much tension and suspense and I could not get enough of it! It really is an outstanding piece of work that will consume you' Once Upon a Time Book Blog, 5 stars 'Blew me out of the water... I starting reading at bedtime, I was so enthralled in the story, next thing I knew it was 3am as I was turning the last page on my Kindle... Compelling, captivating, suspenseful, heart wrenching, all the good stuff you want in a crime thriller.' Goodreads reviewer, 5 stars "Wow, this book grabbed my attention from the first chapter, it was so well written and kept me guessing till the end. I highly recommend this book to anyone who loves a good thriller, you won't be disappointed. Can't wait for the second book, am definitely going to read it." Goodreads reviewer "This book has more twists and turns than a mountain road but eventually the truth comes out in an exciting climax... One of the best mysteries of the season." Goodreads reviewer, 5 stars "Such a page-turner and gripping and so gritty, I loved how the story progressed with all its twists turns and mysteries. Definitely recommend." Goodreads reviewer, 5 stars "Wow... This book grabbed my attention from the first page!... I loved every bit of it! The character's just come alive! I would recommend this book to everyone who loves a good thriller read like I do!" Goodreads reviewer, 5 stars "AMAZING read... Kept me on the edge of my seat throughout... From the beginning, with the blood filled house, to the daughter under the bed, to the investigator, and then to everything pointing to the mother being the one who was at fault, this book just got better and better." Goodreads reviewer, 5 stars Gas station attendant Marny Toogood is drawn into a daring rescue after receiving an urgent message from a young girl in the backseat of a car. Now he's on the run with Esther and William Rose from their insane "uncle" who thinks it is his mission from God to protect William, a boy with incredible faith that gives him supernatural powers. In 1629 the Dutch ship Batavia ran aground on a small group of islands off the coast of Western Australia after being deliberately steered off course by a group of vicious mutineers. Hundreds died in the weeks that followed as the group claiming a new world order massacred anyone opposing their reign of terror, or were superfluous to their needs. Eventually the insurgents had justice served to them in the form of torture, and death. Only two were spared and abandoned on the mainland, never to be heard from again. Almost 400 years post these true events, the accidental unearthing of eerily mutated human remains in the Western Australian countryside leads to the discovery of a medallion belonging to a crew member of the ill-fated Batavia's maiden journey. A Maritime Archaeologist searching for answers encounters a young human guinea-pig with abnormal abilities on the run from her captors, and begins to discover the dark secrets of the disturbed local immortal & twisted, shocking, and blood-soaked history. It's elk season in the

Rockies, but this year one hunter is stalking a different kind of prey. When the call comes in on the radio, Joe Pickett can hardly believe his ears: game wardens have found a hunter dead at a camp in the mountains - strung up, gutted, skinned, and beheaded, as if he were the elk he'd been pursuing. A spent cartridge and a poker chip lie next to his body. Ripples of horror spread through the community, and with a possibly psychotic killer on the loose, Governor Rulon is forced to end hunting season early for the first time in state history - outraging hunters and potentially crippling the state's income from the loss of hunting license revenue. But when the brutal murders eerily coincide with the arrival of radical anti-hunting activist Klamath Moore, Pickett knows the Governor's ruling is the least of his worries. Are the murders the work of a deranged activist or of a lone psychopath with a personal vendetta? As always, Joe Pickett is the governor's go-to man, and he's put on the case to track the murderous hunter, as more bodies - and poker chips - turn up. Christy Williams never imagined that a stolen Hemingway first edition would lead her back to the sister she left fifteen years ago. But when things begin to unravel, she finds herself on May's doorstep, fearing for her life.

**DESCRIPTION** Cara Moreau is dying from a supernatural curse. Her only chance of survival lies with the warrior, an enigmatic man who comes from a realm "in between." Quin St. Clair lived hundreds of years ago, but now exists solely to protect the world he once called home. That's all he will tell Cara, the woman he must keep alive by remaining close to her. Very close. But Cara is determined to discover more answers as she grows to like her warrior. While they search for the book of spells and the cure contained within its pages, their feelings for one another can no longer be denied. But what will happen when Cara is cured and Quin's assignment is complete? And can she trust this mysterious man with the book if they find it? As friends and family from the previous Freak House novels help them, and old and new foes vie for power, Quin and Cara must not allow their feelings to get in the way of their task. Or Cara's life, and Quin's afterlife, may be cut short.

Lavigne concocts a wondrous realm overlaying a city that brims with civic workers and pigeons. Led by her synesthesia, Verity Richards discovers a hidden world inside an old Ottawa theatre. Within the timeworn walls live people who should not exist—people whose very survival is threatened by science, technology, and natural law. Verity must submerge herself in this impossible reality to help save the last traces of their broken community. Her guides: a magician, his shadow-dog, a dying angel, and a knife-edged woman who is more than half ghost. With great empathy and imagination, *In Veritas* explores the nature of truth and the complexities of human communication. A dark and romantic epic fantasy retelling of the Cinderella story, about a girl who must team up with the prince she despises to defeat an evil creature threatening their kingdom. The fourth standalone novel in the New York Times bestselling Ravenspire series by C. J. Redwine. Blue de la Cour has her life planned: hide the magic in her blood and continue trying to turn metal into gold so she can help her city's homeless. But when her father is murdered and a cruel but powerful woman claims custody of Blue and her property, one wrong move could expose her—and doom her once and for all. The only one who can help? The boy she's loathed since childhood: Prince Kellan. Kellan Renard, crown prince of Balavata, is walking a thin line between political success and devastating violence. Newly returned from boarding school, he must find a bride among the kingdom's head families and announce his betrothal—but escalating violence among the families makes the search nearly impossible. He's surprised to discover that the one person who makes him feel like he can breathe is Blue, the girl who once ruined all his best adventures. When mysterious forces lead to disappearances throughout Balavata, Blue and Kellan must work together to find the truth. What they discover will lead them to the darkest reaches of the kingdom, and to the most painful moments of their pasts. When romance is forbidden and evil is rising, can Blue save those she loves, even if it costs her everything? Hardbound. This volume is a worthy successor to volume 4 by virtue of its focus on the recent conceptual revolution in fundamental hypertension research. Without neglecting the heritage of earlier achievements, it highlights such brilliant breakthroughs in

molecular genetics as the creation of transgenic animals as a source of a new pathogenesis of hypertension. A core of (patho)physiological mechanisms operative in experimental hypertension is provided, including several which act to maintain a normotensive state. The volume provides background and technical information on the use of different models of hypertension in a variety of animal species. A wealth of new information regarding the several different complications observed in genetic and other models of hypertension, as well as new animal models dedicated to these aspects, are also presented. Furthermore, new chapters addressing genotyping and the use of transgenics in hypertension are included. THE MOST TERRIFYING BOOK YOU'LL READ THIS HALLOWEEN . . . It is so light it can be used by children. It has transformed the way we fight wars, and its story is the chilling story of modern warfare. C. J. Chivers's extraordinary new book tells an alternative history of the world as seen through these terrible weapons. He traces them back to their origins in the early experiments of Gatling and Maxim, and examines the first appearance of the machine-gun. The quest for ever greater firepower and mobility culminated in the AK-47 at the beginning of the Cold War, a weapon so remarkable that, over sixty years after its invention and having broken free of all state control, it has become central to civil wars all over the world.

A serial killer comes back from the past Agent Lucy Guardino is back, and she's facing the fight of her life...This unputdownable crime thriller from CJ Lyons will grip readers of Lynda la Plante, Angela Marsons and Tess Gerritsen

Until recently Lucy Guardino was a rising star in the FBI. But after disobeying orders and killing a man, Lucy's been sidelined, chained to her desk. When a mysterious letter arrives hinting that, thanks to Lucy, the wrong man was blamed for a string of rapes, kidnappings, and killings four years earlier, Lucy jumps at the chance to re-open the case – despite orders to leave it well alone. Her unofficial investigation takes her back to the small town that thrust her into the spotlight four years ago, when she saved the killer's last victims – before the killer took his own life and that of one final victim: a mother who left a ten year old son and loving husband behind. What Lucy doesn't know is that what happened four years ago was all a lie fueled by sacrifice and betrayal, designed to shield the real killer. With the lives of her family, a group of innocent children, and the future of one desperate boy at risk, Lucy races to stop an innocent from killing and a killer from butchering more innocents.

Blood Stained was definitely worth the wait!' – Tanya Turley, Amazon 'CJ Lyons is at her evil best in this thriller.' – Diana Hockley, Amazon 'My measure of a good book is one that keeps me up way past my bedtime. I just finished this book in the wee hours of the morning.' – Annwhite, Amazon 'If only I wasn't married and Lucy was real... CJ Lyons has nailed it again. I would recommend this book to anyone 18+ years old.' – J.

Templeton, Amazon 'A fast-paced, hard-hitting story that is guaranteed to grab your attention and keep it.' – Susan McClellan, Goodreads 'The second book in CJ's series is another winner. I don't read a lot of fiction, so when I do it must be amazing... which this book is!' – Honoree, Goodreads

Water turns to blood. Flies and gnats attack the innocent. Marc and Gillian Thayer's vacation resort becomes a grisly murder scene--a killer is using the ten plagues of Egypt as his playbook for revenge. When their friend turns up dead, Marc and Gillian enlist the help of a retired homicide detective to investigate the bizarre plagues. Meanwhile, more trouble heads their way. A stranger is after the Thayers' newly adopted baby, and a new Bible translation team based at the resort draws fire from angry protesters when they propose to merge the Bible with the Qur'an. As the stakes increase with each successive plague, the Thayers must make sense of their story's intersection with those of the others at the resort--and of their own dark pasts. In this "chilling tale that keeps readers turning pages and pondering its truths" (C. J. Darlington), the Thayers must unravel the truth. But will they uncover the killer's bitter agenda before the tenth plague--the death of the firstborn son? Praise for *The Tenth Plague*: "Suspense of biblical proportions! Adam Blumer does a masterful job transforming the biblical plagues to a modern-day scenario full of twists and turns that will keep you riveted until the very end."--Bonnie S. Calhoun, publisher of Christian Fiction Online Magazine and author of *Cooking the Books*, a Sloane Templeton mystery "A chilling tale that keeps readers turning pages and pondering its truths. *The Tenth Plague* is a solid entry in Adam Blumer's bibliography, and fans of thrillers with spiritual depth will find much to enjoy."--C. J. Darlington, author of *Thicker than Blood* and *Bound by Guilt* "Adam Blumer writes a suspenseful story with a passion for God not often seen in today's marketplace."--Creston Mapes, best-selling author of *Nobody*, *Dark Star*, and *Full Tilt* "An intriguing premise with suspense that will keep you on the edge of your seat. Blumer's crafted a great thriller in *The Tenth Plague*."--Graham Garrison, author of *Hero's Tribute* and *Legacy Road*

In 2160, a teenager becomes the bait to capture her missing revolutionary parents she thinks are long dead. Grey Alexander has one goal--to keep herself and her younger sister Orinda alive. Not an easy feat living unconnected in the North American Wildlife Preserve, where they survive by smuggling contraband into the Mazdaar government's city zones. If the invisible electric border fence doesn't kill them, a human-like patrol drone could. When her worst fear comes true, Grey questions everything she thought she knew about life, her missing parents, and God. Could another planet, whose sky swirls with orange vapors and where extinct-on-Earth creatures roam free, hold the key to reuniting her family? Before such New York Times bestselling thrillers as *Blood Dreams* and *Sleeping with Fear*, Kay Hooper made her mark with novels uniquely blending romance and suspense. In this new edition of *C.J.'s Fate*, Hooper delivers a funny, sexy, heartfelt story about breaking free, taking chances—and finding the last thing you're looking for. Librarian C. J.

Adams thinks marriage is a fine tradition—for somebody else. The love of her life is history, and in her experience, few men compare with the daring heroes who shaped civilization. Well-traveled, well-educated, and content to stay single, C.J. is convinced she isn't missing anything. But her close friends disagree. When they resolve to find her soul mate during a trip to Aspen, C.J. stays a step ahead of them by enlisting a gorgeous stranger to pose as her lover. But the man proves to be far more charismatic—and convincing—than she expected, and C.J. soon discovers a side of herself she didn't know existed. She never imagined that the Rockies had more in store for her than a skiing trip with friends, but whether she likes it or not, C.J.'s fate is about to be sealed. CJ is a skateboarder who would rather spend his days boarding or customizing his deck and can't seem to hold onto a job now that he's officially "grown up" and graduated from high school. He lives with his lover, Richard, who wears a suit and tie to the office every day. Together they make an unlikely pair. This story is a snapshot look at their relationship, how they come together and how they stay together despite society's negative attitude towards CJ's skating. Sort of a "day in the life" type of story, it follows CJ from a good dream through to convincing Richard to stop working long enough to meet for lunch. A perfect atmospheric thriller for this Halloween . . . An addictive fantasy romance from TikTok sensation Piper CJ, now newly revised and edited. Two orphans grow into powerful young women as they face countless threats to find their way back to each other. Farleigh is just an orphanage. At least, that's what the church would have the people believe, but beautiful orphans Nox and fae-touched Amaris know better. They are commodities for sale, available for purchase by the highest bidder. So when the madame of a notorious brothel in a far-off city offers a king's ransom to purchase Amaris, Nox ends up taking her place -- while Amaris is drawn away to the mountains, home of mysterious assassins. Even as they take up new lives and identities, Nox and Amaris never forget one thing: they will stop at nothing to reunite. But the threat of war looms overhead, and the two are inevitably swept into a conflict between human and fae, magic and mundane. With strange new alliances, untested powers, and a bond that neither time nor distance could possibly break, the fate of the realms lies in the hands of two orphans -- and the love they hold for each other.
