Hack Attack Jul 25 2020 **SUNDAY TIMES BESTSELLER****
Read the definitive inside story of the News International Phone Hacking scandal, told by the man who exposed it. At first, it seemed like a small story. The royal correspondent of the News of the World was caught listening in on Buckingham Palace voicemails. He was quietly sent to prison and the case was closed. But Nick Davies felt sure there was a lot more going on. And he was right. Davies and a network of rebel lawyers, MPs and celebrities took on Rupert Murdoch, one of the most powerful men in the world, and in bringing him down they uncovered a world of crime and cover-up reaching from the newsroom to Scotland Yard and to Downing Street. This is the story of a network of corruption rooted deep within our society, and how it was dragged into the light. 'A masterly summary of the hacking affair, as well as the ingenuity and persistence that lead to great journalism' Observer 'This has all the elements - lying, corruption, blackmail - at the highest levels of government by the biggest newspaper in London' George Clooney**

The Corner Shop in Cockleberry Bay Jan 19 2020 "Rosa Larkin is down on her luck in London, so when she inherits a

near-derelect corner shop in a quaint Devon village, her first thought is to sell it for cash and sort out her life. But nothing is straightforward about this legacy. While the identity of her benefactor remains a mystery, he - or she - has left one important legal proviso: that the shop cannot be sold, only passed on to somebody who really deserves it. Rosa makes up her mind to give it a go: to put everything she has into getting the shop up and running again in the small seaside community of Cockleberry Bay. But can she do it all on her own? And if not, who will help her succeed - and who among the following will work secretly to see her fail? There is a handsome rugby player, a sexy plumber, a charlatan reporter and a selection of meddling locals. Add in a hit and run incident and the disappearance of a valuable engraved necklace - and what you get is a journey of self-discovery and unpredictable events. With surprising and heartfelt results, Rosa, accompanied at all times by her little sausage dog Hot, will slowly unravel the shadowy secrets of the inheritance, and also bring her own, long-hidden heritage into the light."--Publisher description.

An Affair of the Heart Nov 28 2020 Dilys Powell's love affair with Greece and the Greeks began on a sun-baked archaeological dig in 1931. Joining her husband the archaeologist Humfry Payne on the remote peninsula of Perachora, she came to know the villagers who labored on the site, camping beside them year after year, for months at a time. Despite personal tragedy, the occupation of Greece and civil war, Powell's affair of the heart continued. She returned time and again through the '40s and '50s, and with each visit there was a reconciliation with her idyllic memories of the country. Both with Humfry and without, she explored remote mountains in the company of shepherds, isolated stretches of coast and island with local fishermen and olive-dotted hillsides with the subsistence farmers who worked them. Out of this she has fashioned a gem of a travel book.
